EXAM: System Administration of Mac OS X Clients v10.3 Exam
SERIES: 606

PASSING SCORE: 65% YOUR SCORE: 72% GRADE: Pass

Congratulations! You passed the System Administration of Mac OS X Clients Exam, which is based on Mac OS X, version 10.3.

If you are taking this exam to become an Apple Certified System Administrator 10.3, you must also pass the System Administration Using Mac OS X Server v10.3 Exam (9L0-607). If you have now passed both required exams, you can expect to receive your official Apple Certified System Administrator 10.3 certificate from Prometric in approximately three weeks.

Thank you for testing with Apple.
